IMPORTANT RESERVATION INFORMATION

PASSPORTS & VISAS

Obtaining the proper proof of citizenship for entry to destination countries is the responsibility of each client.

A valid 10 year machine readable passport is required for each individual travelling outside of the United Kingdom. Passports must be valid for at least eight months beyond the return date from the destination.

Some countries require a visa in addition to a valid passport for entry into the country. It will be necessary for you to check with the appropriate embassy or consulate for specific information and entry requirements. Upon request, we can forward a visa application from a recommended visa service.

As some countries require your passport to be kept with you at all times as a form of identity, please ensure you keep it on your person in a safe and secure place. If your chosen destination does not require you to carry your passport, please ensure you leave it in a secure place, such as a hotel safety deposit box.

It is sensible to keep a separate note of your passport number and date of issue, therefore we recommend that our clients travelling abroad take a photocopy of their passport and applicable visas. These should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your chosen emergency contact. Please remember to complete the details of two relatives or friends who may be contacted in an emergency on the inside back cover of your passport.

Please Note:

Please note that on some departures, the itinerary will consist of a one night stay in Springfield, VT and a 2-night stay in Burlington, VT. All sightseeing as noted above will be included.
