## Walking Conditions:

**All local walks lie over a variety of surfaced roads, unmade tracks and country footpaths. Whilst walking boots are not essential, the loose, stony and often uneven ground makes sturdy footwear a sensible option. Each itinerary will vary in both duration and terrain with some steep gradients and all require a certain physical effort, especially when it is hot, but they should be well within the scope of an average healthy person.**

**This route is linear and the instructions start at Biniorella. All distances are approximations and the walking time to the destination is for a moderate walking pace without any lengthy stops. You may return to Biniorella by the same route or alternatively catch a local bus or taxi. Information on local transport timetables is available at reception.**

## WALK

Leaving *Biniorella* turn left downhill on road. At roundabout turn right signposted to *Camp de Mar* and continue downhill until you come to a left-hand bend, on the corner of which, is a flight of steps leading down to the sea. At the bottom of the steps turn left onto the promenade and follow round until you come to a sundial turnaround. At this point continue along the promenade in front of the *Playa Hotel* and then take the boardwalk, which finishes, by the *La Siesta Restaurant*. Here turn left a short distance uphill until you reach the road. Turn right and continue uphill to the next T-junction, here turn left and in 30 meters at a turning circle carry on straight ahead on a broad track. The golf course will shortly come into view through the trees.

At the next T-junction turn right with the golf course on your left and continue uphill. After a short descent and with the curved wall of the golf course on your left you will within 50 meters come to another T-junction. Turn right and as you continue uphill the main road to *Paguera* comes into view on the left-hand side. At a point where the path almost joins the road, at the end of a crash barrier, take the path diagonally to the right uphill into the trees and pass between fence posts. Shortly the outskirts of *Paguera* come into view on the left and

ignoring all options follow the path as it runs parallel to the road and until it comes out by a roundabout at the top of *Paguera*.

The last 200 meters are walked inside and alongside the crash barrier. The *Mercadona* supermarket is on you left and a garden centre immediately opposite. To continue into *Paguera* merely walk straight ahead down the main road until you come to another roundabout by the *Casa Pepe* supermarket. Here you can join the main *Avenida de Bulevar de Paguera*, where you will find shops, cafes etc. If you wish to join the *Paguera* seafront promenade, take any one of the turnings on your right which lead down to the sea.

**NB** Although this route is regularly walked by both bondholders and staff, please record any inaccuracies you may come across and report them to reception so that amendments can be made. Thank you.

**Happy walking.**
