WALK INSTRUCTIONS

From the Village hall, return to the main road and turn right for 200m (2-3 mins) to the Byre Inn. Turn left, past the inn on your right and a house on your left. In about 100m (1-2 mins), cross the Black Water on an arched bridge. Continue along the track and in approx 500m (7-8 mins) pass Achray Farm and go through a gate to a T junction at **Point 1 (NN529063)**. You are now on the Forest Drive.

Turn left and follow the Forest Drive. In approx 300m (4-5 mins) cross a cattle grid into plantation. In a further 250m (4 mins), ignore a track on your right and in another 500m (7-8 mins), just after crossing a burn, ignore another track on your right at a distinct left hand bend. In a further 150m (2-3 mins) at **Point 2 (NN533056)** there is a rough track with a broken wooden barrier leading uphill to your right.

Follow this rough track uphill to a T junction in approx 100m (1-2 mins). Turn left here (a faded blue cycle route post may still be there) and continue to ascend gently-in places the track degenerates into an eroded path. At a fork in approx 400m (6 mins) keep to the right and in a further 400m (6 mins) meet the Forest Drive again at a wooden barrier **Point 3 (NN536049)**. Turn right here and follow the Forest Drive to the car park & toilets at Pine Ridge in approx 400m (6 mins). **NN535046**.

Leave the car park with the toilet block on your right, then keep right at the fork, to follow the white/green wayposts passed some 'sound sculptures' above Loch Drunkie. After the 2nd sculpture the white marks finish and you follow green ones only. In approx 1 km. (15 mins) the green wayposts go to the left - leave them and keep on the path to the right to rejoin Forest Drive in a further 300m at the 'Fisherman's carpark'

- **Point 4 (NN544049)**. Turn right along the forest drive for just over 100m (2 mins) and take unwaymarked path on the right just after a 10 :MPH sign).

This path is a little rough in places but improves as you approach the western end of the dam at the northern end of the loch in about 500m (7-8 mins). Continue on down this path for a further 400m (6 mins) to a T junction with the path which follows the southern shore of Loch Venachar. Turn left and in about 1 Km (15 mins) pass a barrier to rejoin the Forest Drive at a Cycle Route 7 signpost- **Point 5 (NN537055)**.

Carry straight on (signed 'Loch Katrine 4') & follow the Forest Drive, passing **Point 2** again in approx 400m (6 mins). From here retrace your steps to Point 1 where you turn right to pass Achray Farm and thence back to Brig o' Turk.
